

## Internet Access Agreement Form

### Student

I understand that the Internet can connect me to useful information stored on computers around the world.

While I have access to the Internet:

- 1)** I will use it only for educational purposes.
- 2)** I will not look for anything that is illegal, dangerous or offensive.
- 3)** If I accidentally come across something that is illegal, dangerous or offensive, I will:
  - (a)** clear any offensive pictures or information from my screen; and
  - (b)** immediately, quietly, inform my teacher.
- 4)** I will not reveal home addresses or phone numbers - mine or anyone else's.
- 5)** I will not use the Internet to annoy or offend anyone else.
- 6)** I understand that if the school decides I have broken these rules, appropriate action will be taken. This may include loss of my Internet access for some time.

### **Parent or guardian**

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive.

I understand that by signing this form, I am giving permission for my child to use the internet for school based information searches for the entire duration of their enrolment here at Bluff State School.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe \_\_\_\_\_ (Name of student) understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
